

iSeries Power On/Off Schedule Setup

These instructions concern scheduling your AS/400 to POWER on and off on a routine basis.

Sign on as **QSECOFR**.

Type **GO POWER**

You will be greeted with a screen heading "Power On and Off Tasks"

```
POWER                                Power On and Off Tasks                                System:  SWLOK02
To select one of the following, type its number below and press Enter:

    1. Display power on and off schedule
    2. Change power on and off schedule
    3. Power off the system immediately
    4. Power off the system immediately and then power on

Type a menu option below

F1=Help   F3=Exit   F9=Command line   F12=Cancel
```

iSeries Power On/Off Schedule Setup
